

As Endermologie comes to Harrods, we look at the 'triple-action' treatment redefining beauty

BY [MICHELLE JOHNSON](#) | 11 MAY 2018 | [STYLE](#)

LPG's natural, non-invasive and non-aggressive anti-ageing and beauty contouring treatment is now available

Arriving at [Harrod's](#) Wellness Clinic is always a treat. The sleek, spa-like waiting room within London's most prestigious department store is a marble-floored, plushly decorated atrium into some of the most innovative holistic beauty treatments on the UK market, and now [LPG endermologie](#) has joined the bunch with its tenth-generation CELLU M6 Alliance range.
